

## Demi bras & half cup bras

One way to show off your sensual side is with a stylish demi bra. These half brassieres have low-cut cups that provide partial coverage with full support. Designed to show a little cleavage, half-cup bras are the perfect choice for a night—or day—out.

### Your favorite brands of demi cup bras

Bare Necessities stocks an impressive list of demi cup bras from top-quality brands you love, including Wacoal, Birdsong, Fantasie and Lilyette. Choose from over two dozen classic brands to find your perfect fit and style. When you're looking for dramatic uplift, turn to a Panache balconette bra, featuring three-part underwire cups to provide you with an excellent shape. For a demi bra you'll want to wear under your favorite T-shirt, consider a Simone Perele T-shirt bra, which offers breathable texture and pretty lace detailing.

### Styles of half cup bras

Add a layer of confidence to whatever you're wearing with a satin, mesh or lace half brassiere. Demi bras can blend seamlessly under your clothes for a daytime look, and easily transform into a evening outfit for a fun and flirty night out when paired with a revealing neckline. We carry many half cup demi bra styles, from strapless bras to bralettes to bustiers. Choose a half cup push-up bra when you want a little extra lift, or pick out a minimizer bra when you want a streamlined shape. Whether you're looking for sweet or sexy, practical or plunging, we can help you pick a demi bra to make you feel like a smoke show.
